We are ILIV

ILIV is a trend-led premium fabric brand, known for designing stylish high-performance fabrics for hospitality, commercial, care and residential spaces. We have over 35 years' experience in developing intelligently designed flame-retardant fabrics, ensuring that they meet the highest FR standards without compromising on style and innovation. The result of this is a comprehensive range of over 70 fabric collections, suitable for a wide range of interior spaces.

We put sustainability and social responsibility at the heart of our business, with a wide range of environmentally sensitive fabrics using both natural and recycled materials, whilst working tirelessly to provide a service that you can trust.

Bespoke Designs

We offer a custom design service; whether it is a re-colour of an existing design, a completely new design or one of your own designs that you would like us to convert into a printed or woven fabric, we have our own experienced in-house design team that can deal with your request.

Any of our existing printed, woven or plain designs can be re-coloured to suit your customer's needs.

For information on minimum order quantities and indicative pricing, please contact your Sales Manager.

Printed Pattern

Step-by-step **Print+** guide

All of our designs are printed to your tailored requirements within 10 working days. Follow the step-by-step guide below to order your bespoke fabric.

1

Browse through our collections of printed patterned and plain designs using the ILIV brochure, binders or website.

2

Choose a design that fits your brief. If you can't find what you're looking for, contact your Key Account Manager to discuss our bespoke Print+ service.

3

Select the appropriate inherently flame retardant base cloth quality for the end use, for example, Q1850 Textured Waterproof for upholstery, Q4161 Recycled Luxury Panama and Q6715 Soft Touch Blackout, both for curtains.

4

Place your order online at www.iliv.co.uk or call our customer services team to discuss your requirements.
